### Week of August 31-September 4

Math Duke	At the conclusion of today you should be finished with the first 3 lessons of the 8th grade Prep. This would be graphing proportional relationships, Identifying proportional relationships, and equations of proportional relationships. If you have not completed those please do so by the end of the weekend. Next week we will be doing 4 new lessons. Next week you need to accomplish proportions, cross products, solving problems involving decimals, and adding and subtracting fractions. These 4 lessons should be review concepts and go more quickly for you. If you have questions, please reach out. You can call or email me, and I will be there to help! Have a wonderful weekend!! 😊
Math Barnes	Students should be continuing work on the Math Prep class only- do <b>not</b> work on the 1 <sup>st</sup> semester math class. Feel free to email if you are having any issues. Have a great weekend! :)
Literature McClain	All work is in OneNote and Teams. Check your email for video. Create and finish Life Maps under the Memoir Tab. Vocab Unit 11 ABCD due Friday. Research the author Maya Angelou. Read "Mrs. Flowers" and answer questions. Video conferencing for discussion during class is available this week. Check your email for times.
Science Lau	Begin Edgenuity. Do the Cell Theory Warm-up, Instruction, Summary, and Assignment. When you are ready, I will check and unlock the quiz. Please write Terms down. You may use these on the assignment and quizzes. We are also Using microscopes in class. I will send microscope parts to label and you can Google microscope images. I will also send the final 9 leaves out of the 23 Illinois leaves to recognize. Quiz coming up next week over those 23.
Social Studies Heath	Character Building (vocabulary, direct instruction, practice, quiz) Making Informed Decisions (vocabulary, direct instruction, practice, quiz)
P.E. Adkison	Do 2 lessons on edgenuity per week, exercise 20-30 mins per day record this on edgenuity fitness log, and send pictures/videos of student exercising-please send these

Week of September 8-11

The assignments listed below are due on Friday, September 11<sup>th</sup>. Late assignments will be accepted until Wednesday, September 16<sup>th</sup>. After that date, any not completed will be recorded as a zero in the grade book.

Math Duke	Today, 9/4/20, is the conclusion of week 3. You should have finished proportions, cross products, solving problems involving decimals, and adding and subtracting fractions. If any of these lessons are not a choice for you, that means that you have tested out of that lesson. If you are not finished, they must be completed by 9/9/20 or they will be counted as a zero. The week of Sept 8-11 you should be completing the following lessons: Multiplying fractions, Dividing fractions, Solving problems involving rational numbers. These are due at the end of the week, but not later than 9/16/20 or they will be counted as zeros. If you have any questions please let me know! Midterm is Friday 9/11/20 Have a great weekend! Mrs. Duke
Math Barnes	Midterm is approaching next Friday, and I would like you all to focus on reaching the minimum target completion of 50% on Edgenuity. GOOD LUCK! Keep working diligently each day! Ms. B. :)
Literature McClain	Quiz Vocab Unit 11 on Wednesday. This week we will be punctuating dialogue. Look for comic strips in OneNote, and punctuation notes in Writing. 🌐 We will begin brainstorming our Memoirs.
Science Lau	Quiz over 23 native IL leaves next week. We will be looking at the inside of a leaf under the microscope in class. I will send remote learners a diagram and a Microscope photo of the leaf tissues to draw and label.
Social Studies Heath	*The Role of the Citizen What is a Citizen (vocabulary, direct instruction, practice, quiz) *Citizenship What is a Citizen (vocabulary, direct instruction, practice, quiz) The American Citizen (vocabulary, direct instruction, practice, quiz) Citizen Characteristics (vocabulary, direct instruction, practice, quiz)
P.E. Adkison	DO NOT DO EDGENUITY LESSONS, only use edgenuity for fitness log. Students are to exercise 20-30 minutes per day, log that on fitness log and send 1-2 pictures/videos of them exercising. I will be checking logs each week. Students' grades will be 20 points each week, 10 for the log, 10 for the pictures/videos. Failure to do this will result in zero points for the week.
Health Barnes	NO HEALTH for 8 <sup>th</sup> Grade until 3 <sup>rd</sup> and 4 <sup>th</sup> Quarters. 🌐 Stay well!
Art Magee	See PDF with art assignments.
Technology St. Clair	3 minute typing test by Tuesday.

	<p>Edgenuity- one lesson per week. This grade will replace the inclass grade in the gradebook.</p>
--	--

	<p>If you are not in the A range on typing (43 wpm with 93 accuracy) you may do typing lessons for a grade also.</p>

Week of September 28-October 2

The assignments listed below are due on Friday, October 2<sup>nd</sup>. Late assignments will be accepted until Wednesday, October 7<sup>th</sup>. After that date, any not completed will be recorded as a zero in the grade book.

Math Duke	You should complete the following lessons this week: Factoring Expressions, Writing Equations, Addition and Subtraction Equations, and Multiplication and Division Equations. These 4 lessons are due no later than 10/7. If there are lessons that you have tested out of, Jeremy spend that day working on I-ready lessons. Gaige and Courtney, I would like you on those days to be looking over the note sheets that we have done so far in class this year, also look at the problem sets. Start familiarizing yourself with these. This is what you will be doing when you return. Please email me weekly and let me know how things are going on your end. The goal is to accomplish each week's lessons by Friday. Have a wonderful weekend! Mrs. Duke
Math Barnes	Hi everyone! This quarter sure has flown by quickly so far. We have 9 school days left until the end of 1 <sup>st</sup> quarter on Oct. 8, 2020. Please make sure that you are working toward <b>100% completion of the Math Prep Course</b> . Your final grade will be figured according to the completion percentage, so do not get confused by the current grade listed. Your grade will be based upon the completion of the class. Students who are <u>already finished</u> with the Math Prep class need to be logging on to I-Ready to work on the Teacher Assigned lessons. If you need something unlocked quickly, then please email both me and Mrs. Mills at: <a href="mailto:Sbarnes@crestwood.k12.il.us">Sbarnes@crestwood.k12.il.us</a> AND <a href="mailto:kmills@crestwood.k12.il.us">kmills@crestwood.k12.il.us</a> . We will do our best to unlock activities as soon as possible. HAVE A GREAT WEEKEND! ;)
Literature McClain	Vocab Unit 13 distributed on Monday, due on Friday. Memoirs due at the end of the week. Check email for conference times with peers and Ms. McClain. Tuesday: Dialogue Punctuation study guide. Dialogue Punctuation test on Thursday.
Science Lau	We did an experiment in class the last two days. I will send you the data and have you answer questions about it. Start studying the chemical elements and their symbols. The 40 on the list of uses will be the ones on the quiz. (You don't need to memorize the uses.) We will also begin learning the difference between atoms, molecules, and compounds so that we can balance equations.
Social Studies Heath	Political Parties: Political Party Organizations and Campaigns (Vocabulary, Direct Instruction, Practice, Quiz)
P.E. Adkison	Continue to exercise 20-30 minutes each day. Record this on your Edgenuity fitness log and send 1-2 pictures/videos of student exercising. This is worth 20 points each week-I check logs each week so failure to record data is loss of points for the week as well as not sending pictures & videos.
Art Magee	Behind the Door - Draw a wall with a door and surprise us as to what is behind the door.

Technology St. Clair	One 3 minute typing test by Tuesday. One lesson per week (on either lesson) on Edgenuity.

Week of October 5-9

The assignments listed below are due on Friday, October 9<sup>th</sup>. Late assignments will be accepted until Wednesday, October 14<sup>th</sup>. After that date, any not completed will be recorded as a zero in the grade book.

Math Duke	<p>This is the last week of quarter 1. Due to some of you returning after next week and some are not, this week's plan will be a little different.</p> <p>JH: I want you to be working in the Algebra I 2<sup>nd</sup> Quarter Edgenuity. Use the dates they give as your guide to when things are due. I will give a 4 school day grace period on each activity.</p> <p>GB: I am hoping you will be finished with the prep by the end of the weekend, and then I would like you to do Problem Set 31 from the Saxon book. Send me a picture of your completed assignment and I will grade it and send back comments. I am just trying to get you ready to return.</p> <p>CM: You must complete your prep course <b>no later than NOON on 10/14</b>. Have a great weekend!</p> <p>Mrs. Duke</p>
Math Barnes	<p><b>LAST WEEK</b> of 1<sup>st</sup> Quarter. Please have everything turned in <b><u>NO LATER THAN Oct. 8<sup>th</sup></u></b>. Everyone must complete 100% of the Math Prep course. I look forward to seeing several of you back in person for 2<sup>nd</sup> quarter. If you are remaining a remote learner, then you will see new classes set up specifically for 2<sup>nd</sup> quarter. :)</p>
Literature McClain	<p>My apologies for the delay in the dialogue test. On Monday, you will get the answer key to the study guide IF you have completed it in Teams. Test on Wednesday. We are watching a memoir/movie in class until Thursday. On Thursday, if you have no zeroes in the gradebook, you will be given all access to a (fake) crime scene and case file. You will be a part of a group of elite detectives called to solve the case. Stay tuned . . . I'll send you access once all work for Quarter 1 is completed.</p>
Science Lau	<p>It took us longer to get through Atoms in class than I thought, so you still have Next week to finish Elements on Edgenuity. There will also be a writing assignment. We are not ready to balance equations yet since we missed so much last spring.</p>
Social Studies Heath	<p>Political Parties: Getting Involved (Vocabulary, Direct Instruction, Practice, Quiz)</p> <p>Test Review</p> <p>Topic Test</p>
P.E. Adkison	<p>Exercise 20-30 mins each day send pictures/videos and record on fitness log</p>
